DRAFT

There is currently a package in development that will allow for better code blocks. Until then, the code blocks will be rather plain and not very pretty.

1.4. CITATIONS

This is a citation [1].

1.5. TODO

DRAFT

This is a DRAFT / TODO box. This box can be used to indicate that (part of) the document is not finished yet.

Keep in mind this box is not breakable, so it will not be split over multiple pages.
